Museum

The Museum of the Strauss Dynasty was founded by the private association Kulturverein Wiener Blut^[1] and presents many items from the collection of the association, as well as items loaned by the Strauss family and others. Following a special preview evening on 15 March 2015, it was opened to the general public on 18 March.^[2]

Across seven rooms, visitors can learn biographical detail of all members of the Strauss family, as well as the historical and sociological background of Vienna in the 19th century.^[3] "Listening stations" in each room permit the visitor to hear pieces of music relevant to the information displayed.

The museum is located at Müllnergasse 3, A-1090 Vienna.
